

## Design a Super School Celebration!

Have fun with this as *one featured designer* or as *a design team with your friends!*

You have been assigned the important and exciting job of designing your school's year end celebration. Use the next page as your Super Me! journal to write your answers and draw your designs. *Here are the items you need to take care of:*

### 1. Choose your "Super Celebration" location:

Is it a gym, a cafeteria, a big classroom, a park, community center or something else you have come up with?

### 2. Choose a theme:

What will your celebration theme be? Cartoon characters, TV shows, 50's, 80's, Under the Sea, Light and Magic, Comedy, Circus, Dance Marathon? What can you think of? Anything is possible!

### 3. How will you decorate?

What will your celebration look like? What colors, shapes, heights, objects, things will you use to decorate? Use your imagination... Anything can be a decoration!

### 4. What food will you serve?

What foods will you have at your celebration? Sweets and Treats, Crackers and Cheese, Meatballs, a whole carved turkey, who knows? What will you come up with to feed your guests?

### 5. What Music will you play? What style of music will suit your celebration theme?

### 6. How will you get everyone involved? Games, dancing, entertainment?

### 7. This is a 2 - part question:

a) How will you let everyone know about this Super School Celebration? Posters, email, Facebook, announcements, how will you get the word out?

b) What can you give your guests to take home to remember this great celebration?

You will offer a token of your appreciation for coming to your great celebration - what will it be? wrist bands, buttons, little cards, stickers, lollypops? What can you come up with that will be a great reminder of your celebration?

Ok... print a few copies of the next page to use as your design journal.

After you are done designing your Super Celebration, answer the questions on page 3. You will make some very interesting discoveries! ***Have fun!***
